Volume 5, Issue 1

NOW is the time to make changes to your 2016 Spring MPCl policy. If you need to make any of the following changes, please call or stop by our office as soon as possible for assistance:

Coverage Level Changes—With lower crop prices, this might be the year to consider bumping up to the next level of coverage...

Entity Changes—If you have married, divorced, formed a legal entity, etc. please call or stop by the office so we can assist you in making changes.

POA/Authorized Signer—If you need to have a Power of Attorney or would like to have your spouse be an authorized signer for crop insurance please call us as soon as possible.

Available for 2016...

***Yield Exclusion (YE)*—YE is an endorsement that allows an actual yield to be excluded from an APH database. If you would like more information please call or stop by our office today.**

***IRR/Non-IRR at different levels*—It is now possible to choose a different level of coverage for your Irrigated and Non-Irrigated crops. For example you could buy 65% on**

COMING SOON...

2015 PRODUCTION REPORTS—Look for your production report in the next couple of weeks! We will be sending your production reports for the 2015 Spring crops soon for your signatures and any yields that we may not already have.

IMPORTANT!!!—If you intend to destroy any winter wheat for any reason—including going to a different crop—You must contact our office before doing so to ensure we follow proper policy procedure.

New Break Land, Land coming out of CRP or Adding Land??

Please contact our office ASAP if any of those situations apply to you!!
